Dear Parent / Carer,

**Re: UPDATES ON THE HEATWAVE**

The Local Authority has not yet issued any further updated advice since Friday. However, I am aware that there is much talk on the media about the Level 4 warning the Met Office have issued and also that many schools – largely secondary schools where children can be home alone, that are closing or partially closing.

As a result, we have had revised our plans for **Monday** and **Tuesday** as follow:

- School will be open as usual and finish at normal time
- If you are very concerned about the weather and the impact it will have on your child, **you can decide whether or not to keep your child at home on these two days**. If you decide to do so, please contact the school to let us know so we are able to mark it as an authorised absence.
- Any sports (football, ballet etc.) and Homework Clubs on either of these days will be cancelled. After School Club will remain open

Please see my previous letter to remind yourself of the other measures the school is taking to keep everyone comfortable in the temperatures that are anticipated and the advice on the school website about how to keep safe at home.

**A change in advice or guidance can happen very quickly** but for now the advice is to stay open. Please keep an eye on your emails.

Yours sincerely,
