

Headteacher: Mrs Stav Stavrinou

Friday 12<sup>th</sup> March 2021

Dear parents and carers,

I hope this finds you well.

We have been working hard at re-launching our Breakfast Club and After School Club facilities. Given the current risk assessments and risk of infection we will have to maintain a limited number of places but will endeavour to accommodate parent and carer needs as far as possible without increasing the risk of infection to children and staff.

In efforts to maintain stringent safety measures, we intend to maintain the 'bubble' model and avoid interaction between year groups as far as possible. It is important to note that this may not always be viable since adjacent year groups will be maintained within each bubble.

Due to safety measures and limited staff availability, we will be introducing Breakfast Club and After School Club within limited capacity giving priority to the parents who have already used the facilities previously.

We will therefore be starting on **Monday 15<sup>th</sup> March** with Breakfast Club provision for **Reception, Year 1 and Year 2** to start with. We will slowly introduce the rest of the year groups in a staggered manner subject to review.

**For Monday arrangements:**

**Reception:** From **8am** at entrance **Gate A**

**Years 1 and 2:** From **7:45am** at entrance **Gate B**

I hope you appreciate that under the given the circumstances, maintaining safety measures and offering wrap around care is quite challenging. We are trying our best to provide the best care possible for our parents, carers and children without compromising on safety measures and health. We thank you for your ongoing support and understanding.

If you need to discuss your individual circumstances further, please contact the front office by email or by phone and we will do our best to respond as soon as possible.

Kind Regards,
