Information update for Reception parents

Dear Parent/ Carer,

All children in Reception have now been set up on Tapestry. Parents should have received an email about activating their account. Please check your junk mail and other inbox folders if you haven't received anything.

Please feel free to join our Reception parent WhatsApp group, which is run by one of our FROC parents. This is separate from the school and must be used appropriately. See link below.

You can also join our FROC Facebook group for more parent information. See link below.

EYFS are not currently using Class Dojo, like other year groups. If you do need to get in touch with your child's class teacher, please contact the school office, who will forward your email onto the teacher.

Reception will be starting their daily phonics lessons, after the October half term. Unfortunately, at this current time we cannot send reading books home. Therefore, we recommend that you purchase the reading scheme 'Jelly and Bean' which is a very reasonable price and great for decodable reading. See link below.

Please remember to read picture story books with your children at home every day to promote a love for reading.

Yours sincerely,

Miss Bateman
