

Headteacher: Stav Stavrinou

Dear Crowlander,

I hope this letter finds you well.

I am writing in order to explain that we will be setting up our brand new School Council Group and I am inviting you to apply for the position.

There are so many great things about our school and I feel very proud to be the Headteacher of Crowland Primary School. However, I do believe that there are also a few things that we can improve on.

As a member of the School Council you will be able to bring about good change for our school and make it better. You will have time to speak to our senior leaders, the people in charge of the school in order to put your ideas forward and make improvements.

In order to apply, you will need to write back to me in response to the following questions:

1. What do you like about Crowland Primary School?
2. What makes Crowland a good school?
3. How can we make Crowland an even better school?

I hope you will take this opportunity in applying for the position of a school councillor.

I very much look forward to hearing from you.

Kind Regards,

Mrs Stav
