

Headteacher: Stav Stavrinou

23rd October 2020

Dear Parents and Carers

Further to the letter sent yesterday advising there has been a confirmed case of COVID 19 within the school. We confirm that the case is in Year 5 and this year group is now self-isolating.

We would like to clarify the position regarding the siblings of the pupils in the self-isolating bubble currently attending school. We have confirmation from Public Health England and Public Health Haringey that siblings of children self-isolating are still expected to attend school. The only household that is expected to isolate is that of the pupil with the confirmed case.

If your child displays any of the symptoms outlined in our previous email, you are advised to get a COVID-19 Test and provide the school with a copy of the results to frontdesk@crowland.haringey.sch.uk or admin@crowland.haringey.sch.uk

We wish you all a safe break over the half term!

Yours Sincerely

Mrs Stav Stavrinou
