

## Crowland Enrichment After School Clubs

---

Crowland are delighted to once again offer a varied programme of after school clubs, run by both professionals in school and specialist tutors from outside the school. **All clubs run for 10 weeks of the school term, except for Lego club (9wks) & Streetz Ahead (9 wks).** The programme of clubs on offer may vary from term to term, but we always aim to provide a good mix of sports, creative activities and fun educational based clubs. The clubs provide a stimulating environment in which the children can learn new activities and develop their skills even further. Children will have a lot to look forward to each week with our high-quality, jam-packed schedule that enables children to learn through play, meet new friends and most importantly have fun!

Our exciting schedule allows children to enjoy;
