

Dear Parents and Carers,
It goes without saying that this end of term we have witnessed the results of steady hard work led by our children and by our very dedicated team of professionals. Crowlands has seen so much improvement over the last two years in the increased breadth of the curriculum and the exciting learning that has taken place; And what a lovely way to end our Autumn term! Our class parties, music concerts, pantomime shows and of course the much-anticipated traditional Christmas Concert which we had hugely missed during the pandemic. We wish you a wonderful festive break and New Year celebrations!
Best Wishes Ms Stav and Mr Winnard

Diary Dates:

Nursery Science Museum Trip

Friday 3rd February 2023

February Half Term:

Monday 13th - Friday 17th February 2023

Pendarren Trip:

Monday 13th – Friday 17th March 2023

Easter Break:

Monday 3rd - Friday 14th April 2023

Snapshots from our end of term Xmas Disco!

Our Crowland Guitarists preparing for that all important guitar concert. They showcased an excellent repertoire of music for our parent audiences, including genres influenced by 'The Blues', Jazz, Boogie Woogie and 'Traditional Slovakian'. Thank you to our Haringey Music Service teachers; for maintaining such high standards and for inspiring our children to learn one of life's most enjoyable arts. Our musicians continue to flourish and develop at a very speedy rate. If we have any parents interested in individual lessons for your child, please follow the link: <https://www.haringey.gov.uk/children-and-families/schools-and-education/services-pupils/haringey-music-service/instrumental-teaching>

DIP & DAB'S CHRISTMAS MIX UP

The 'Dip & Dab's' Pantomime show was absolutely hilarious! The children had a wonderful time enjoying the two main characters doing dance moves, watching fantasy fashion shows and responding with raucous laughter at almost everything that was said. The laughter came from the heart and there is no other way to describe it than 'Simply Joyous!!!'. **Thank you, Ms Demetri, for organising; We love your pzazz!!**

Learning about Places of Worship

Years 1, 3 and 4 visited the majestic Cathedral of St. Paul's. The experience was described by one of our children as 'Amazing!'. The building itself is one of the oldest buildings in London having survived the World War and having preserved all of its original architectural beauty.

Once arriving at the cathedral, children had various workshops with specialist speakers who explained about St Paul's Cathedral, its history and its religious significance to the world of Christianity.

Our children listened well, admired the murals of the Cathedral, as seen in the pictures below and asked questions about Christian practices and faith, history and the building itself. Our parents also had a great day!

Save Our Sad Jumpers Campaign!

We have already accumulated a collection of sad, abandoned jumpers without names.

Most jumpers with clearly named labels make it back to their original owners, but we are unable to reconnect them if they have no name! Please try to label your children's clothes, especially the jumpers.

When you collect your child from school, please also make sure they have all their belongings. The Lost Property Box can be found in the KS2 playground if ever you need to check for those sad abandoned ones!

Our Xmas Show was such a success! Thanks to all our children and staff for their incredible work and to all the parents and carers for their warm support! Special thanks also to Mr Adebayo for his inspiration and for getting the show together. See our show on You Tube link below:
