

Dear Parents and Carers,

It has been wonderful to welcome all our children back to school and to see them return with so much excitement and anticipation. They have been welcomed with open arms by all of us as they have been missed so much! Even though the outside world is still struggling with the realities of the most recent challenges, we continue with our learning, our playing and with the making of happy memories. In the meantime, we haven't let go of our very stringent safety measures as the health of all our children is our number one priority. Enjoy the rest of March and have a great Easter break!

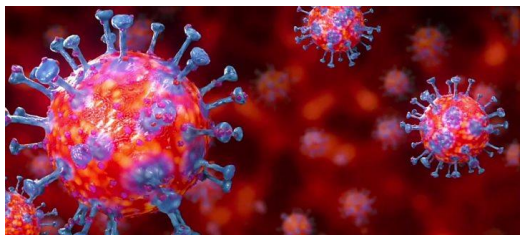

Best Wishes, Mrs Stav.

## Our New Cooking Facilities

Last week, our Y5 made wonderful cakes and cookies using our new cookery facilities fully equipped with anything you need from bowls, to whisks, to rolling pins. Huge thanks go to Friends of Crowland who have donated towards our hobs and ovens; a great addition to a fully functioning facility!

Mr Winnard and Ms Stav were lucky enough to be the judges and have a taste of these Y5 yummy recipes!

Cookery is part of our wider curriculum in Food Technology and helps with many other aspects of learning such as Maths and Science.

Look forward to lots more cooking!

## Our World Book Day Winners!

Well done to all the children who participated in our World Book Day competition! There were so many amazing entries, which made it very difficult for us to pick the winners. After a lot of deliberation, we are happy to present our World Book Day Front Book Cover winners who each won a £10 token and a HUGE congratulations goes out to our overall winner – FUNNYBONES who in total won £20 in book tokens!
