

Dear Parents and Carers,

What a great month we had with the amazing Book Week. The children have really, really enjoyed this school month and reading has never been more popular! Our staff have worked hard to organise these special events, our parents have been most supportive and our Friends of Crowland have raised yet more money for the school! Thank you to all for your efforts. However, this month's excitement does not end there as we have had two great musical events too; More of that in our April Newsletter. Have a good month everyone!

Mrs Stav & Mr Winnard

Monday 6th May

May Bank Holiday

SCHOOL CLOSURE

Friday 24th May

School closes for half term break

(INSET DAY Monday 3rd June)

Tuesday 4th June

Return to School

Saturday 22nd June

Summer Fair

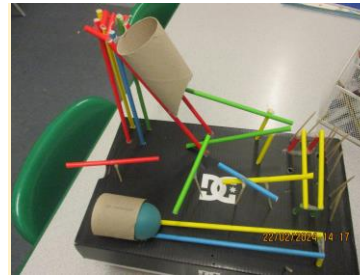

What a wonderful Book Week!

Everyone will agree that this year's Book Week was absolutely amazing. We had an amazing set of events starting with the wonderful Nell Phoenix who brought wonderful stories to life and enthused us with magical characters. Next couple of days were full of exciting book purchases with the help of book fairs and second-hand book sales by FROC. This raised no less than £319, money of which will go even further into buying great books!

We had further fun with more stories of feasts, foul play, goblins and dragons! More story telling by our great Mystery Readers and finishing off with the great Pyjama Rama where our Reading Rumble Finalists took part in entertaining us with their great stories.

Huge thanks to our children, staff, parents and FROC for raising of money BUT very warm special thanks to Mrs Demetri who has made so much effort in giving us a brilliant Book Week Event! Thank you, Mrs Demetri, you are the best!

(Some snapshots below)

We are blown away by the entries forwarded for our STEM Drinking Straw Roller Coaster Competition. Here are some of the entries so far; they are amazing!! Well done to those of you who have submitted your wonderful ideas. Keep them coming and don't forget to test your designs with a ping pong ball for the desired effect! Mr Gwilliam is feeling very proud.

Wow We loved Our Book Week!

We had so much fun celebrating books, stories, poetry and much, much more!
