

Dear Parents and Carers, it has been such a pleasure to be returning to school amongst the buzz of a newly anticipated school year; hopefully a less disruptive year with new opportunities, good health and exciting new learning. The summer months were a little rainy but I hope you managed to get a decent rest and spend some quality time with family and friends. Our children have made an excellent transition and are settling into their new year's learning with their new teachers and adults. Wishing you all a lovely start to the school year!

Mrs Stav

Diary Dates:

Friday 1st October

Half Term Break

Monday 1st November

Return to school

Covid-Care

If your child has any of the following symptoms cough, fever, loss of taste and smell:

1. Keep your child at home and notify school immediately
2. Arrange for your child to have a COVID test
3. If your child tests positive, notify the school immediately and keep them at home for at least 10 days
4. Make sure the whole household isolates for 14 days
5. If another household member tests positive your child must also isolate for 14 days.

FRIENDS OF CROWLAND

A huge thank you to all those parents that participated in our Coffee morning, it was wonderful to see you & being able to engage in such a warm, and constructive discussion. We were pleased to have Cristina Razza, the Parents' Governor, with us; we would like to thank her once again.

If you have any suggestions, or you would like to share your skills or volunteer, please contact us.

22nd of October Dress Up day and Cake sale.

Shout out to all bake loving parents: donate and advertise your business.

Contact us via email on Friendsofcrowlandpta@gmail.com or text us on FROC Whatsapp group & Follow us on FB Friends of Crowland Primary School

Uniform

Children have returned looking so smart and ready for the new school year. They are wearing the correct PE kit and they feel a sense of belonging with their Crowland identity. Thank you for the time and effort taken for the new year. Please make sure your child's clothes are labelled so that we are not losing valuable clothing items.

Our Curriculum

In the last few months, our teachers have been very busy creating a very exciting new curriculum which offers a much wider range of subjects. This newly revised curriculum is based on the Ofsted Framework 2019 and it is much broader than previous versions.

We are very excited to be delivering this as we want our children's learning to be highly engaging, exciting and memorable.

Our yearly overviews show the full year's coverage and these will now be shared on our school website.

Parent Sessions

It was wonderful to see those of you who managed to attend our morning parent sessions visit our school to hear a little bit about our children's learning this year. We were delighted with the turn out and we are very much looking forward to more future sessions in order to keep you updated on the children's learning, share some ideas and hear your views.

Thank you also to Friends of Crowland parents team who put together a coffee morning where our Parent Governor, Cristina Razza was introduced, Mr Winnard and Miss Bateman. Many of you were able to meet each other, share great ideas and plan ways forward.

We are very lucky we have such a great school community who are supportive of the school and are always willing to go the extra mile.

Thank you!

After School Club Activities

The new after school activities have proven to be a huge success with many children and parents expressing interest in the exciting new range on offer.

Fencing, Art, Ballet, Archery, T-Shirt Design, Lego, Music and Football are just some of the activities on offer. We believe that giving our children the opportunity to enjoy exciting experiences beyond daytime schooling, has the potential to develop character, creativity, challenge and adventure. We want our lifelong learners to have as many learning opportunities as possible!
