

Attendance Newsletter

Dear Parents/Carers ,

We have had a fantastic week in school this week with lots of exciting things happening. We have seen a slight increase again in our whole school attendance, however there are 2 classes with attendance in the 80-90% bracket, so unfortunately these children will have missed out on these exciting things as well as now having gaps in their learning.

As I said last week, 80-90% is classed as extremely low attendance. We need to make sure that children are only off school if they are extremely ill or have been sick and therefore need a full 24-48 hours without sickness before they return. Slight bugs like a cold, sore throat, snuffle etc are not enough to keep your child at home. With Covid-19 I think we have become very cautious around these types of symptoms, but the only thing to do if you are worried about that is to get tested, the results are back within 24 hours and then with a negative result you can safely return your child to school.

If you are identified as a close contact and have been advised to take a PCR test please arrange this for out of school time. Your child does not have to isolate unless they get a positive result or they are displaying symptoms. I know it is worrying, but if you choose to keep your child off because of a covid case that doesn't directly affect you it will be classed as an unauthorised absence.

I need to stress again that school is not optional, it is a legal requirement and it is the parent/carers legal responsibility to ensure that their child/ren are in school everyday.

Whole School Attendance:
