Dear Parents/Carers ,

We have had a great week in school, we have had an improvement to last week in that we have 2 green classes, with 3 classes improving their attendance percentage - Reception, Year 3 and Year 4! Well done! Despite these improvements, our whole school attendance has decreased. Please let's try extra hard next week to bring it back up again, especially in Year 2.

## Attendance Facts;

Attendance of 95% for the year equals 10 days that your child has been absent, that is 2 full school weeks of your child's learning missed for that year. Attendance of 90% for the year equals 19 days that your child has been absent, that is almost 4 school weeks missed. Attendance of 85% for the year equals 29 days that your child has been absent per, that is almost 6 school weeks missed. Attendance of 80% for the year equals 38 days absent per year that is over 7 school weeks missed.

The school day has two attendance sessions. If your child seems unwell in the morning but seems better by lunchtime, please bring them into school for the afternoon session, this will help to keep your child's attendance as high as possible. If your child ever has to have an emergency medical appointment, please ensure that you try to make it at the beginning or end of a school day, this way your child would only miss a maximum of half a day for the appointment.
