Dear Parents/Carers ,

We have had another great week in school, with lots of learning and fun happening. We have had 6 classes that have improved their attendance from last week, and three of them are dark green! Well done Year 6, Year 3 and Year 1 for being green, out of those 3 classes, the winners with 99.2%, is Year 3! I wonder who will win next week? Our overall whole school attendance has improved from last weeks 92.1% to 93.9%, which is great, but I hope we can do even better next week. I hope that next week we see even more green classes and further improvement to our whole school attendance. We are coming to the end of term so that means our attendance raffle is drawing near. There is 1 week left to try and get your name in the draw, all you have to do is be in school and be on time. The raffle prize is a brand new tablet and also a family Asda voucher for some extra treats. The prize draw will happen next Friday during Celebration Assembly.
