

Let's light the candle to begin our Worship today.

Welcome Words

The Lord is with us.

Let us praise his name

together.

Today's worship is all about remembering.

Close your eyes and remember something that happened yesterday.

Now think about something that happened when you were much younger.

Objects can often help us to remember times, places and people.

Sometimes we call these objects memories.

I've brought some objects that hold memories for me today.

Why do we keep these object and photos that I have here today?

Why are we selling poppies in school at the moment?

A poppy helps us to remember important things that have happened to other people. Those who have fought in wars and died.

Reflection Time

Sit in silence, listen to the music and think about the people that are important to you.

Elgar's Nimrod

Prayer of Thanks.

We remember people who have helped us in the past,
those we knew and those we didn't know.

Today we think especially of people who have died in wars.

We take a moment to think of some special people: soldiers, sailors,
pilots, the police, fire-fighters and ambulance drivers - and all who risk
their lives today for our safety.

Together, we say thank you.

Thank you.

Let's sing

Last Night I Had The
Strangest Dream I Never
Dreamed Before

Closing Words -

The light and peace of Jesus
Christ be always with you.

and also with you.
