Welcome Words.

God

in

Christ

has revealed

his

glory.

Come

let

us

worship.

Waiting for a baby to be born can be a very exciting and joyful time. Over time the baby develops. How does this make you feel?

1 month

The body, head, heart and eye together are the size of an apple seed

2 months

Limbs and features on head, ears and mouth are 2cm long

4 months

We can see if the baby is a boy or a girl and he/she is 26cm long

Every baby is special and takes around 9 months to grow.

Every mother and baby throughout time has their own special story to tell.

Today we will hear the story of two very different women, Mary and Elizabeth.

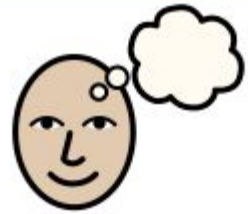

Elizabeth

Mary

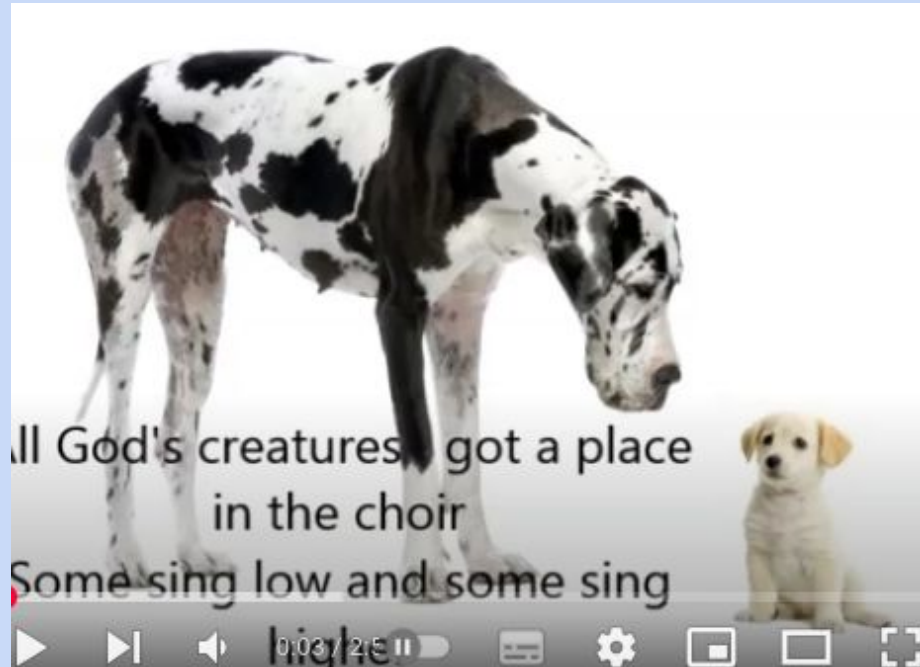

Reflection

In the story Mary says, ‘God has turned the whole world upside down.’ What do you think the storyteller means by this?

Let us Pray.

**Lord Jesus,
You came to turn,
Sadness into joy,
Fear into faith,
Despair into hope,
And death into life.
As we seek to walk in your ways,
Give us your courage,
Amen**

Closing Words.
