

Let us light the candle to signify the start of our Worship today.

In the name of God The Father, God The Son and God The Holy Spirit.

Welcome Words –

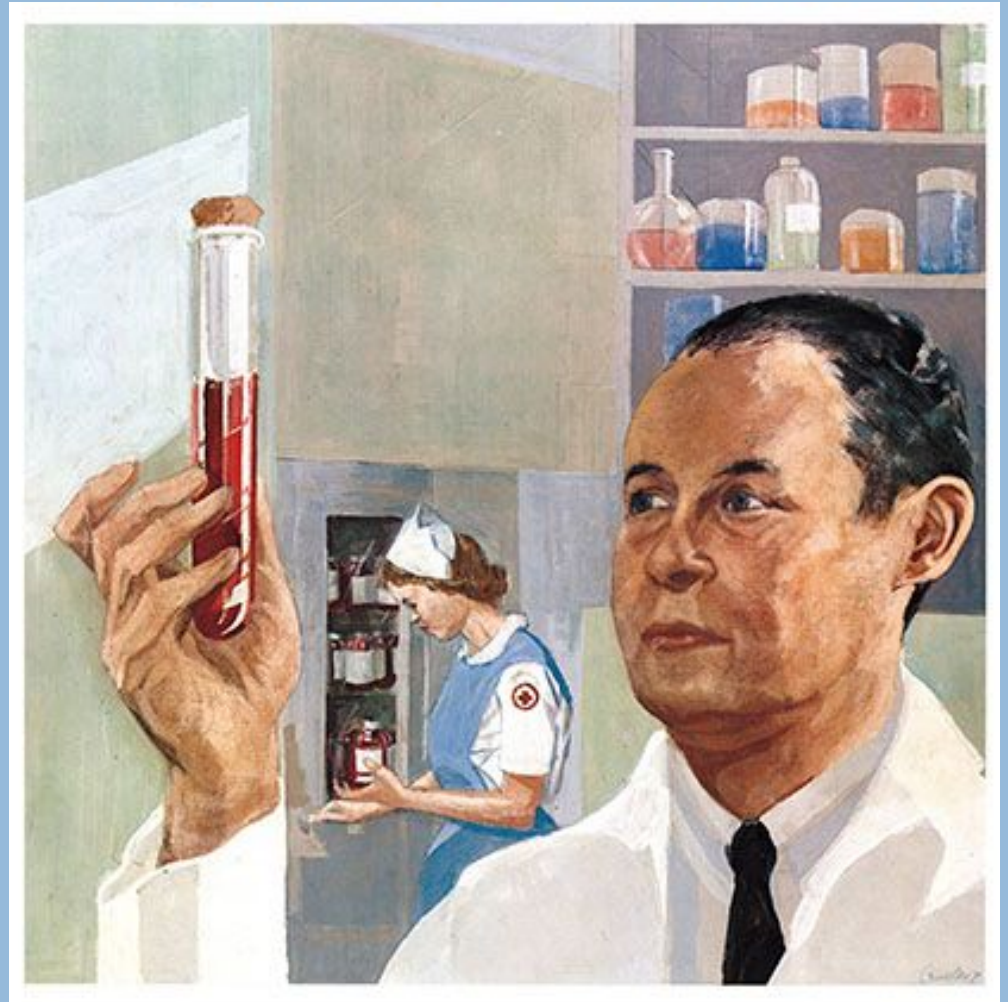

The light of Christ has come into the world.
We welcome his light into our lives

Our theme this term is inspirational people.

Does anybody know who this man is?

Charles R. Drew

1904-1950

Surgeon

Charles R. Drew

Charles Richard Drew was an American doctor who developed ways to store plasma, which is the watery part of blood. Drew's research helped many sick and injured people, who could be given plasma as they needed it, especially soldiers who fought in the War.

How did Charles help others?

He stood up for what he believed in, what was this?

What Christian values did he show?

What
strong
beliefs do
you
have?

Let us sing! -

Wake

A photograph of a sign with the text "YOU WILL NEVER FADE AWAY" in black, hand-drawn letters. The sign is set against a background of a sunset or sunrise sky with soft, colorful clouds in shades of pink, orange, and purple. The word "NEVER" is significantly larger and bolder than the other words.

YOU WILL
NEVER
FADE AWAY

The Grace ...

May the grace of our Lord Jesus Christ,
And the love of God,
And the fellowship of the Holy Spirit
Be with us all,
Now and forever more.

Amen

Closing Words -

God loves us all and knows that we are special.

We will carry God's love with us in our hearts
