Welcome Words –

God is spirit

Let us worship him in spirit and truth.

Think back to yesterday's
worship -

What does it mean that we are a
church school?

How does that make us different
from other schools?

What does it mean to
be a **Church of England**
school?

What is a vision statement?

The Church of England's
Vision statement is -

Deeply Christian, serving the
Common Good

Let's look at the words to
understand this vision...

What does it mean to be Christian?

What does it mean to serve?

What does the phrase 'common good'
stand for?

Reflection-

Let's think about that vision and how it is seen in our academy today and everyday.

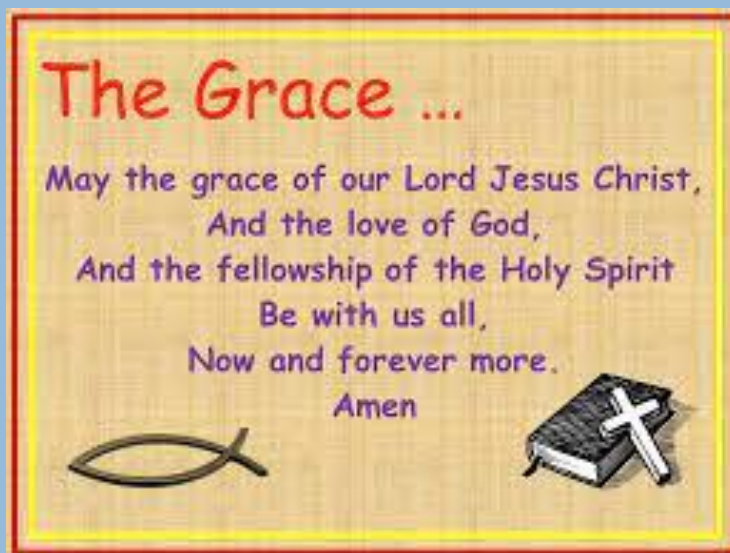

Let us sing! -

Let us pray -

Let us say our action prayer together...

Closing Words-

Grace, mercy and peace be with you

and also with you.
