

Summary of Science in EYFS

Торіс	Nursery	Reception
Animals, excluding humans	 Learn about the life cycles of animals Compare adult animals to their babies Observe how baby animals change over time 	 Name and describe animals that live in different habitats. Describe different habitats
Humans	 Learn about the life cycles of humans Learn about how to take care of themselves Learn about their senses 	 Describe people who are familiar to them Learn about how to take care of themselves
Living things and their habitats	 Explore the surrounding natural environment Explore natural objects from the surrounding environment 	 Explore the plants in the surrounding natural environment Explore the animals in the surrounding natural environment Explore plants and animals in a contrasting natural environment
Plants	Grow plants	
Seasonal changes		Play and explore outside in all seasons and in different weatherObserve living things throughout the year
Materials, including changing materials	 Explore a range of materials Shape and join materials Combine and mix ingredients Change materials by heating and cooling, including cooking 	 Explore a range of materials, including natural materials Make objects from different materials, including natural materials Observe, measure and record how materials change when heated and cooled Compare how materials change over time and in different conditions
Electricity	Identify electrical devicesUse battery-powered devices	
Light	Explore light sourcesShine light on or through different materials	Explore shadowsExplore rainbows
Forces	 Feel forces Explore how things work Explore how objects/materials are affected by forces 	 Explore how to change how things work Explore how the wind can move objects Explore how objects move in water
Sound	Listen to soundsMake sounds	Listen to sounds outside and identify the sourceMake sounds
Earth and space		Learn about the Earth, Sun, Moon, planets and starsLearn about space travel
