

Darwen St James' CE Primary Academy

Darwen St James'
C of E Primary Academy

R.E Policy

2021

Mission Statement

Nurturing ambition through a living faith.

Vision

Our Academy delivers a purposeful curriculum through its living Christian faith. We nurture ambition in all our learners in order for them to become positive citizens of tomorrow.

Bible

'Let us not love with words or speech alone but with actions and truth.' John 3:18

Requirements

At Darwen St. James we meet the requirements of the Church of England Statement of Entitlement for Religious Education which states 'Sufficient dedicated curriculum time, meeting explicit RE objectives, however organised, should be committed to the delivery of R.E. This should aim to be close to 10% but must be no less than 5% in key stage 1-4.' Please see Appendix 1 for more information.

Parental right of withdrawal from R.E

SACRE Guidance on Withdrawal from RE suggests that parents have the right to withdraw their child from R.E on the grounds that they wish to provide their own R.E provision. Parents also have the right to withdraw their child from part of R.E and can do so without giving any explanation.

Syllabus

Guidance is taken from the Blackburn Diocese Board of Education and units of work are adapted from the Questful R.E Syllabus; 80% of study is focussed on Christianity and 20% the study of World Faiths. The units are supplemented with additional resources from the diocese recommended Understanding Christianity Units. All units taught link to the resources on God's Big Plan.

World Faith Units

The Questful R.E syllabus makes links to World faiths and Worldviews. Children are encouraged to explore and discover information about the beliefs and practices of World faiths, ask meaningful questions, make comparisons, identify similarities and differences and make connections to their own experiences.

Planning

Our R.E curriculum is taken from the Questful R.E Unit Plans for children in Reception - Year 6. Staff annotate these plans to provide a range of age appropriate, challenging and creative lessons. The units last between 2 and 7 hours, however the number of hours advised on the planning is a minimum and staff adapt this to meet the needs of the children in their class. If the Questful R.E Unit specifies a link to an Understanding Christianity unit, then activities and learning from this unit are also incorporated into the planning.

The children in Nursery learn a variety of Bible stories and these are linked with our school values. The children also have the opportunity to learn and explore Non-Christian faith festivals as they happen, for example Diwali and Eid.

Presentation of Work

R.E work is completed either in individual exercise books or a Class Big Book. Children in Nursery, Reception and Years 1 use a Class Big Book only and evidence all the lessons in there. Years 2 to year 6 also have an individual R.E exercise book and evidence half the unit in each book. Staff consider which pieces of work lend themselves to each book based on the evidence they are creating. For example photographs of children working outside the classroom or using drama techniques will go in the Class Big Book whereas cross curricular writing will be completed in the individual exercise books.

Marking

Marking follows the DSJ Marking Policy using the self evaluation and marked by a teacher stamp. If a teacher feels an R.E related comment is necessary then they are free to provide this in order to enhance children's understanding and spiritual development. We also use growth mindset comments when marking in R.E.

Marking in Class Big Books takes the form of annotating children's work and recording children's comments and statements that show their learning and understanding.

Assessment

Assessment takes place once per unit. Staff use the marking ladder to choose one I know, and one I can statement and plan a piece of work which meets both objectives for them to assess. They then decide whether each child has understood the concept, not understood the concept or has shown a deeper understanding of the concept taught, and record this on the school assessment grid.

Additional Learning and Experiences

It is our aim at Darwen St. James to provide a wide and varied curriculum and as such take every opportunity to widen the children's breadth of learning with guest speakers, visitors, drama productions and workshops to name a few.

Visits to other places of worship are encouraged as part of the R.E curriculum, as are visits by members from all faith communities. This brings the curriculum to life and gives children who may be isolated from other communities the chance to meet with other views and faiths. Visits to places of worship give children the opportunity to see religious practises, such as the Eucharist or a Baptism, performed by a faith leader.

Children from years four and five attend an annual conference, the Pupil's R.E Conference, along with children from school across the diocese.

An annual R.E Coordinators Conference is attended by the R.E Coordinator. This is an opportunity to share good practice and to remain up to date with new developments with other R.E coordinators in the diocese.
