

PE Intent, Implementation and Impact Statement

Our Intent

- To provide a safe and supportive environment for children to obtain optimum physical and emotional development and good health.
- To deliver high quality teaching and learning opportunities that inspire children to succeed in PE and in developing life skills.
- To teach children how to cooperate and collaborate with others as part of an effective team, understanding fairness and equity of play to embed life-long values.
- To improve the wellbeing and fitness of all children.

Implementation

- All children throughout school will access 2x 1 hour lessons of PE per week.
- Lessons will be delivered by class teachers using the GetSet4PE scheme.
- Teachers will deliver quality lessons which provide both enjoyment and appropriate challenge for every child in the class.
- Pupils will access a broad range of activities, progressing from fundamental movement skills in EYFS/KS1 to more sports based activities in KS2.
- The long term plan sets out the PE units which will be taught throughout the year and ensures that the requirements of the National Curriculum are fully met.
- In addition to their weekly PE lessons, children will be encouraged to attend the wide range of extra-curricular sport and activities clubs that we offer throughout the year.
- A range of equipment will be accessible at break times to further encourage children to explore, play and be active.
- We aim to take as many children as possible to DPSSA/SLA competitions, events and festivals, including those on offer for SEND pupils.
- Each year a small group of Year 6 children will be invited to become Sports Prefects for the school. They develop into sporting role models for the younger children, run simple games and activities for the other pupils at lunch times, our annual sports day and any other sports activities.
- A range of enrichment activities will be incorporated throughout the year to engage and inspire our pupils.
- Coaches/sports specific professionals will deliver workshops/clubs across school to further enhance our curriculum and help us offer our pupils a wide range of sports and activities.
- Children in Years 3 and 4 have the opportunity to swim at the local pool once a week for a term each.
- The PE subject lead will ensure that teachers receive appropriate CPD across the year to improve their subject knowledge and confidence when delivering PE
- The PE lead will also support all staff with the planning, delivery and assessment of PE throughout school.
- Regular Network and DPSSA meetings will be attended and any relevant updates/training will be passed on to other staff members via email/staff meetings.
- PE will be closely monitored across school. Data will be updated and checked on a regular basis, staff and pupils will have regular opportunities to provide feedback about the subject and any necessary tweaks/interventions/implementations will be made accordingly.
- Quality lessons will allow time for pupils to revisit, practice and apply prior knowledge and skills.
- Learning will be child led and teachers will facilitate and a Growth Mindset approach will be used.

Impact

- Children will be motivated to participate in a variety of sports.
- Children will take responsibility for their own health and fitness.
- Some children will enjoy the success of competitive sports.
- Children will understand fairness and be able to work collaboratively with others.
- Children will be equipped with the necessary skills and a love for sport.
- Each child will achieve or exceed objectives for their year group and/or ability level.
- Any areas of concern which will be promptly addressed to ensure progress occurs across school.
- Improved teacher confidence and knowledge will lead to higher quality lessons.
