

World Book Day

You Are a Reader!

Thursday 3rd March 2022

What Is World Book Day?

World Book Day is a brilliant chance for everyone to believe that they are a reader!

2022 is a special year because it is World Book Day's 25th Anniversary!

The first World Book Day in the UK and Ireland happened in 1997.

Six Ways to Help You Love Reading

1. Someone reading to you regularly.

2. Having time to sit and read. Just 10 minutes a day can make a difference!

3. Having some books at your home.

4. Someone (an adult or another child) helping you to find a good book.

5. Having a choice so you can choose whichever book you want to read.

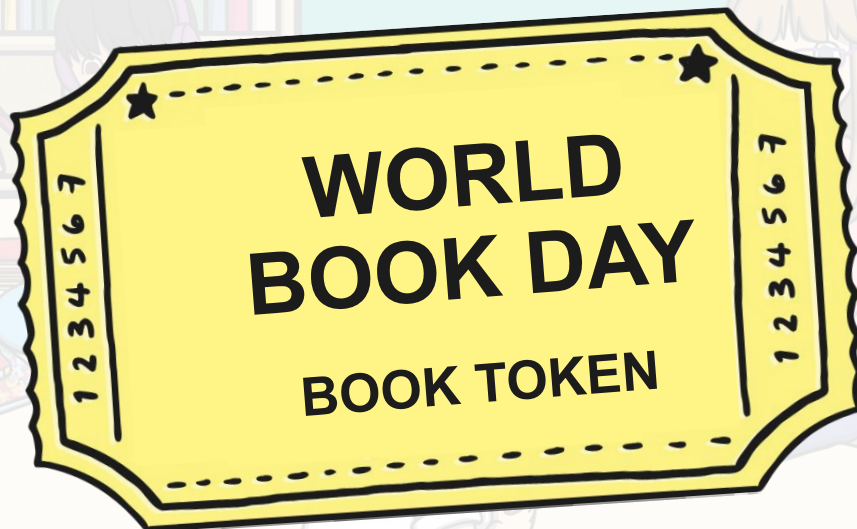

6. Making reading FUN!

Why Do We Celebrate World Book Day?

Every child in the United Kingdom and Ireland can receive a free book!

You will get a free book token.

You can use your token to get a brand new and specially written book, or you can use it to get £1 or €1.50 off another book.

The special books are also available in braille, large print and audio versions!
