It may not always be possible to speak with a member of the team due to outside office appointments etc. However, there is an answer machine so that messages may be left at any time. BwD SENDIASS also has a [Facebook page](#).

The Service provides an all year round, flexible service, which is available during normal working hours, term time and holiday periods. This includes a direct line and a 24 hour answer machine service. Parents can also make contact by email and private message on Facebook. Response contact is within five working days.
