Easter Worship	Discuss the worship conference and ideas for worship. Start a plan and what to get ready for our next meeting.	<p>Worship ideas - sensory worship, order the story and add bits in from the bible, pass the parcel facts.</p> <p>Liked the idea of a sensory worship - on reflection that will probably take too long.</p> <p>Decided that we would go with a more hands on worship using the pictures from the story and putting them into order. KS2 to have bibles that they can use to add extra bits in that might be missing from the story. WT to work in pairs to support each class.</p> <p>Pass the parcel - worship team to make pass the parcels for each class and then play with to pull out Easter story facts and treats!</p>
<p>AOB</p> <p>Look at prayers in worship next time/a new rota for duties and also reading bible stories to the younger children.</p> <p>Ch. to come up with new ideas as to how worship team can be involved in school.</p>
