

Attendance Newsletter

Dear Parents/Carers ,

We have had a great first week back in school, but unfortunately our attendance shows that there has been a lot of absence and therefore many children not experiencing that great week and not accessing the learning that they require. I hope that next week see's an improvement to the whole school attendance figure of 88.2%. Well done to year 6 who nearly achieved the magic 95% by getting 94.3%. I have everything crossed for a green week next week.

Attendance Facts;

The world is run by those who turn up.

Attending school every day = 100% attendance

Attending 4½ days a week = 90% attendance = 4 weeks missed per year

Attending 4 days a week = 80% attendance = more than half a term missed per year.

Attending 3½ days each week = 70% attendance = more than a quarter of the school year missed.

An average attendance of 80% or less across a child's school career adds up to missing a whole 2 years from school.

Being late for school reduces learning time. If your child is 5 minutes late every day they will miss three days of learning each year.

Whole School Attendance:

ATTENDANCE - Spring Term 2021/22 (Friday to Thursday)
