

Attendance Newsletter

Dear Parents/Carers ,

It has been a good first full week back in school and we have seen some good attendance and punctuality, especially in Reception, they have achieved 100% attendance this week which is absolutely amazing! Well done Reception!!! The children have had some important tests this week to help us understand where all the children are after being off for so long during lock down, so if your child has not been in school this week it is really important that they are next week so they can do those as soon as possible. That way we can plan our lessons effectively to help them all catch up on their missed learning. Remember if they are not here they are not getting their legal right to education. I do understand though, that we are all being cautious at the moment and that being back in school brings the usual bugs as well, so if you are concerned that your child is ill, I urge you to get in touch with your doctor and/or get tested as soon as possible so the amount of time your child has off is the least amount possible.
