Dear Parents/Carers ,

It has been a good first full week back in school and we have seen some good attendance and punctuality, especially in Year 3 they have achieved 99.5% attendance this week which is absolutely amazing! Well done Year 3!!! What is even more exciting is that we have had no red classes!! I know that all the children that have returned to school this week have had amazing week doing lots of work on team building, relationships and friendships and wellbeing and being able to spend time with their friends. Next week we are going to be doing some activities to help us see where the children are academically to enable us to plan effectively for the summer term. It is really important that all children are here next week so they can take part in those activities.

Just a reminder of a couple of things -

Attendance in school is mandatory.

The LA will issue fines for persistent unauthorised absences.

If your child is shielding or at any point has to isolate but is not ill they are to resume online learning.

The attendance and punctuality raffle has started again. The next prize draw will be before the half term holidays in May. Please make sure your child/ren is is school everyday and that they are on time so that they can be entered into the prize draw.
