

Worship Team 26/11/2020

Actions from the meeting -

All the children shared their work that they had completed, LP to collect and to photocopy to put around school.

Dianne to scan posters to go up onto the website.

LP to collect articles for the newsletter, and start to compile.

Yr 3 - Logan and Millie to write and or draw something for the newsletter based on what they have learnt from our Superheroes worships. They can look at the hall board to act as a reminder if needed. Please can this be complete by our next meeting on the 10th Dec.

Rob is asking Lisa for any good examples of the Christmas story. If this doesn't work we are going to write our own - to do this LP will come to each worship team to write a section with them over the next two weeks.

Worship team to practice their worship on the 10th Dec in the meeting- this may be a slightly longer meeting.

Rob is going to be setting up Christmas gazebos in the yard at some point during the last week of term, which he wants school to decorate - this will be based on parts of the Christmas story. Each class bubble will then visit the gazebos in turn. - More detail to follow.

Year 5 and Year 2 are going to write and or draw something on our Advent worship - I know this doesn't start until next week but please can you have this in mind, as they will need to have that ready for me by the 16th Dec at the latest so I have time to put the newsletter together.

Prayers - once a week can the worship team collect any prayers from the prayer box and read them. These prayers can be used in class worship, at the end of the day or in whole school worship.

Posters - competition - the worship team have made posters for a competition. Please can you encourage your class to take part, or give them time to do it. The entries will be collected on the 14th Dec and the winners will be announced in celebration worship that week.

Thank you for helping the children get all of this done!
