Welcome back

It has been a great start to the new school year and all the staff have enjoyed hearing about your child's summer holidays. It was great to meet so many parents joining the meet the headteacher coffee mornings and I look forward to speaking to, and getting to know, you all over the coming weeks. For those of you who did not manage to attend one of the coffee mornings, there will be further opportunity in the school year to get to know about the school's vision and values. If you want to know more, feel free to ask me whilst I am out and about on the playground.

Our school values are shown (in blue) below. We believe that in order for your pupils to take on the world, these skills are vital and will support your children in school and beyond. The orange words and images are our three school rules, which reflect the new behaviour policy. If you wish to read the new policy, a member of admin can print this for you, or you can access it via the following link: <https://tinyurl.com/davenbehaviour>
