

# Daven Primary School Weekly Newsletter

22<sup>nd</sup> September 2023

## Internet Safety

As a school we want to ensure your child knows how to stay safe online: both at home and in school. This week, KS2 children joined in with an online assembly led by Internet Legends. This Be Internet Legends is a fantastic resource which helps children be safe and confident explorers of the online world. Throughout the course of the year, we will refer to the Internet Legend principles. You can also support at home by following this link:

We will ensure your child knows the Internet Legend Code (listed below) as well as what to do if they are concerned with online behaviours. If you want any further information about this, you can speak to our computing lead, Miss Parkinson.

## Conway trip
