

Daven Primary School

Weekly Newsletter

10th November 2023

Visitors from Kenya - We were extremely privileged to welcome three teachers who have flown from Kenya to visit schools in England. Children in Y2 to Y6 attended an assembly to find out what life was like in their town Nakuru. All children listened beautifully and asked the most interesting questions.

We found out that resources such as reading books are limited. As we have lots of new books, we have donated some reading books that we no longer use. Each child has written a message inside and these will be well used over in Egerton Primary, in Kenya.

Remembrance - Our Year 6 pupils led a wonderful remembrance service to pay respects to all the soldiers who have died in the line of duty.

Each child made a poppy with the name of a Congleton soldier who lost their life in WWI. We now have a beautiful remembrance garden.

On Friday 17th November, your child can come in odd socks for anti-bullying week AND dress in spots for Children in Need.

If your child is dressing in spots, please donate online.

Stepping Stones are also doing a cake sale Thursday and Friday, after school, so head there for some goodies. They are also selling raffle tickets to raise money for Children in Need.

A big thank you to all parents who came to parents' evening this week. Your support is very much appreciated.

Anti-bullying week - Next week is anti-bullying week. We will be learning lots about how we can spot signs on bullying and what to do. The national theme is:

Behaviour rewards

The children are enjoying being given achievement points and hopefully you can see these on Arbor.

Stickers are given on Monday mornings for children who got 10 achievement points the week prior.

Asia class (Rec): Oscar
Antarctica (Y1): Hunter & Macie
Africa (Y2): Joseph & Jaxon
Europe (Y3): Karim & Cade
Australia (Y4): Abbie & Evie-Rae
South America (Y5): Ollie & Charles
North America (Y6): Mei & Patrik

Attendance -

Asia class (Rec):94.7%
Antarctica (Y1):97.3%
Africa (Y2): 86%
Europe (Y3): 84.6%
Australia (Y4):88.6%
South America (Y5): 92.3%
North America (Y6):88.2%
