

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Topic title	What is it like here? 	How am I making history? 	What is the weather like in the UK? 	How have toys changed? 	How did we learn to fly? 	What is it like to live in Shanghai? 
Visitor/trip	Local area fieldwork skills			Toy museum	Transport museum	
Writing	Performance Poetry My Colours Text: Lost and Found by Oliver Jeffers Outcome: Fiction - Adventure story	Text: Nibbles by Emma Yarlett Outcome: Recount – diary entry	Poetry Text: The Lion Inside by Rachel Bright Outcome: Fiction – Journey story	Text: The Curious Case of the Missing Mammoth by Ellie Hattie Outcome: Fiction – adventure story	Poetry Text: Toys in Space by Mini Grey Outcome: Fiction – Fantasy story	Text: Goldilocks and Just the One Bear Outcome: Fiction – traditional story
Guided reading	Lost in the Toy Museum The Teddy Robber Now We are Six Toys in the past Toys and Games		Mr Wolf's Pancakes Goldilocks and just one bear Goldilocks and the three bears The Owl and the Pussycat		Six Dinner Sid The Shopping Basket Out and About Our Local Area Farms and Villages	
Maths	Number: Place value Number: Addition and subtraction within 10 Geometry: Shape		Place value: numbers within 20 Number: addition and subtraction within 10 Place value: within 50 Measurement: length and height Measurement: mass and volume		Number: multiplication and division Number: fractions Geometry: position & direction Number: numbers to 100 Measurement: money Measurement: time	
Science	Forces and space: seasonal change	Materials: everyday materials	Animals: sensitive bodies	Animals: comparing animals	Plants: introduction to plants	Making connections
Geography	Locating where they live on an aerial photograph, children recognise local features. They create maps using classroom objects before drawing simple maps of the school grounds. Pupils use maps to follow simple routes around the school grounds and carry out an		Studying the countries and cities that make up the UK, children discuss the four seasons and their associated weather. They consider how we change our behaviour in response to different weather and keep a weather diary or record. Finally, children investigate the UK's hot and			Using a world map, children start recognising continents, oceans and countries outside the UK with a focus on China. They identify physical features of Shanghai using aerial photographs and maps before identifying human features, through

	enquiry about how to improve their playground		cold places using weather maps with a simple key.			exploring land-use. Pupils then compare these features to those in the local area and make a simple map using data they have collected through fieldwork.
History		Looking at personal chronology and finding out about the past within living memory, children examine photographs and ask questions. They begin to look at a simple timeline extending back to before they were born.		Sequencing toys into a physical timeline, children investigate artefacts from the past and begin to pose questions. They learn how teddy bears have changed and 'interview' an old teddy bear before considering what toys may be like in the future	Developing their knowledge of events beyond living memory, reinforcing their chronological understanding by looking at significant events in the history of flight on a timeline. Learning about the individuals who contributed to the history of flight	
Art	Make your mark: observational drawing skills	Painting and mixed media: exploring colour mixing through paint inspired by Clarice Cliff and Jasper Johns.	Sculpture and 3D: Creating simple three-dimensional shapes and structures using familiar materials, inspired by the 'Tree of life' screen at the Sidi Saiyyed Mosque.		Craft and Design: Woven wonders. Fibre art skills such as plaiting, threading, knotting and weaving to create three-dimensional woven artworks inspired by artist Cecilia Vicuña.	
D & T		Mechanisms: making a moving story book	Structures: constructing a windmill	Mechanisms: wheels and axles	Cooking & nutrition: smoothies	Textiles: puppets
Computing	Online Safety (1.1) Grouping & sorting (1.2) Pictograms (1.3)		Lego Builders (1.4) Maze explores (1.5) Animated story books (1.6)		Coding (1.7) Spreadsheets (1.8) Technology outside school (1.9)	
P.E	Invasion games Throw a ball accurately to a partner in the form of a chest pass. Catch a ball or object.	Dance Remember a count of eight. Move bodies in response to music. Use space effectively	Gymnastics Use space effectively in a variety of ways. Demonstrate the shapes: pencil, star, tuck	Net and wall Hold a tennis racket correctly and safely. Throw a tennis ball over a net to the court area.	Athletics Run over different distances at different speeds. Jump at different	Striking and fielding Position body to return a ball. Receive a ball in different ways. Throw a
