Have you read *The Snail and The Whale* by Julia Donaldson?

*One little snail longs to see the world and hitches a lift on the tail of an enormous whale. Together they go on an amazing journey, past icebergs and volcanoes, sharks and penguins, and the little snail feels so small in the vastness of the world.*

Why do I like reading? By Mrs Gosling

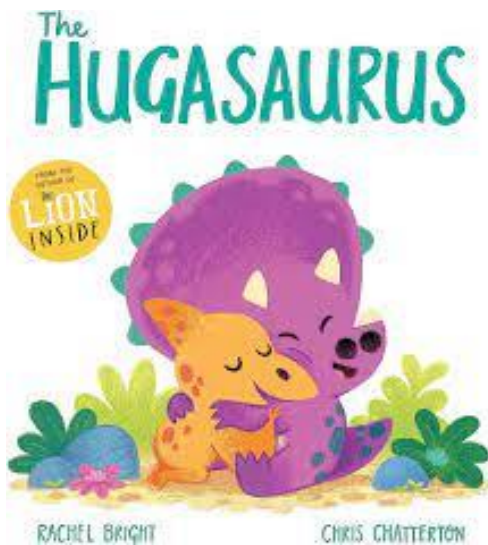

It took me a while to enjoy reading, but when I found George's Marvellous Medicine, I was hooked! I like reading for a few reasons. Firstly, I am transported to new lands and meet new people from the comfort of my own home. I also like to read to learn new words and phrases – authors use such amazing language and this helps me develop my own word bank. Another reason why I enjoy reading is because it helps me relax. Sometimes, I spend far too long on a screen, so reading gives me quality down-time that I need. If you find a book you enjoy, like I do, it can be just as fun as watching a film.

Peppa Pig books

I like Peppa Pig books because I really enjoy them. I like the instrument one because Madam Gazelle is in the story playing a guitar.

## Book review by Blake in Year 1

Hugasaurus by Rachel Bright

I like this book because the hugasaurus gives the other dinosaurs hugs. I also like it because hugasaurus is the nicest one of their family.

Supertato by Sue Hendra

I like this book because there is an evil pea that does bad things. Little veggies get stuck and Supertato saves the day.
