Message from Miss Mirza

It has been my absolute pleasure to see children settle into the new school year so well and I am so proud of the leaps in learning they have made over the past seven weeks. Our school community has never been bigger, with 690 pupils and 80 staff—each and every person involved has lots to be proud of.

If you have a child that is due to start school in September 2025, please see the flyer on the next page about booking a school tour. We currently have a small number of nursery spaces to start now—please contact the school office if this could be of use to you.

Looking to the future, we have a number of excitement heading towards us next term. From Christmas Concerts to special visits—there really is lots to look forward to.
