## **Message from Miss Mirza**

This week saw the second and final week of BikeAbility, children in Year Five have had a wonderful time perfecting their bicycle riding with a large number of children reaching Level Two and riding out in the community. Remember what you have been taught so that when you are cycling you are safe!

We are now half way through this half term which means that the deadline for our Easter Egg competition is rapidly approaching. Please make sure your designs are in school by Friday 28th March. Will the entries top the amazing models and designs we saw last year?

Finally, please can I reiterate the importance of attendance. Every moment of learning matters and children being late or missing days can significantly impact their learning. Please strive to ensure children are sat and ready to learn each morning by 8:45am.
