Message from Miss Mirza

This week, the school was awarded the Lancashire Religion and Belief award and the Race Equality award. These add to the Leading Parent Partnership award and Step Outside Award that school has achieved in the last year. Thank you to the staff across school who took the lead on earning these awards, they all seek to further develop the education that children at Deepdale receive.

We have begun to receive a number of requests for leave from school. Please remember that school is unable to authorise leave in term time and any absence can have a significant impact on the learning of children — children who miss just one week of school miss out on over twenty hours of learning that their classmates get. Remember, moments matter and attendance counts.

Behaviour at Deepdale

As a school, each half term we focus on one of our school values. This value is shared with children during assemblies. Children are then encouraged to demonstrate that value each day.

So Far This Year

- 1st — Dolphins /Stars/Oak 98.7%
- 2nd — Rockets 95.6%
- 3rd — Willows 95.0%

This Week

- 1st — Butterflies 99.7%
- 2nd — Moons 99.1%
- 3rd — Ladybirds 98.6%

Leave in Term Time

Please remember that school are unable to authorise holidays or any other leave during term time. The law requires children to be at school as much as possible. Please try to ensure that any visits abroad are made during the school holidays, being absent from school during term time may result in Lancashire County Council issuing fines or initiating prosecutions.

Online Music Safety for Children

In today's digital world, children are constantly exposed to a vast array of online content, some of which may be inappropriate or even harmful but this is also true of online music. Many songs contain inappropriate words, slurs and subject matter. Please ensure that you are using the parental controls available on Spotify, Alexa and Google. Spotify has an age limit of 13+ but they do offer 'Spotify Kids' for younger children which allows parents and carers to view and manage the content their child is listening to, using parental controls. Please see below for more information on parental controls:
