Key Question: How and why have some people served God?

Autumn 2 Year 3

Moses

God appeared to Moses as a voice from a burning bush. He told Moses to lead the people out of Egypt.

Moses was an Israelite who lived in Egypt at the time when the Israelites were slaves.

Moses was worried. He did not think that he had the right words to say and did not think people would believe him. Moses asked God to send someone else, but God said no. Moses did what God told him and lead the people out of Egypt.

Jonah

God told Jonah to go to Nineveh because the people were doing bad thing.

Jonah was scared of going to Nineveh so he tried to run away. He got on a boat and tried to travel in the other direction.

When he was on the boat God sent a powerful storm. He fell out of the boat and was swallowed up by a whale. He was inside the fish for three days and nights. God told Jonah again to go to Nineveh and this time he did what God wanted.

The Salvation Army are a church and a charity who work across the world.

They are not the kind of army who fight wars. They are called an army because they fight against things that are not fair and aren't right in the world.

Their beliefs are based on what is in the bible and they believe it is the message from God.

They live out these beliefs by helping and loving people who are in need.

They do things like soup kitchens and shelters for homeless people. They visit people who are sick or in prison. They also run groups for people of all ages to make sure they have things to do.
