

Timeline of games consoles

Sources

Sources are ways we find out about the past. They might be pictures, paintings, videos, writings or anything that helps us learn more about the what life was like.

Vocabulary

past	Something that happened before now.
present	Something that is happening now.
sources	A way of finding out about the past.
old	Something from the past.
new	Something from the present.

Dolls have been around for many years, but have changed over time.

Sticky Learning

Toys have changed over time.

The toys we play with now are different to the ones our parents had.

What toys are made of has changed over time.

Some types of toys have been around for a long time but just look a bit different.
