

Parental Consent Form: Photographs

Name of child: Class: Date:

At Deepdale Community Primary School we sometimes take photographs of our pupils. These photos may be used in our school prospectus, in other printed publications that we produce, on our website, or on project display boards in school. We may also make video or webcam recordings for school-to-school conferences, monitoring or other educational use.

To celebrate a particular achievement, our school may be visited by the media who will take photographs. These photographs may appear in local or national newspapers or on televised news programmes. We also invite a school photographer to take photos for you to purchase.

We would like your consent to take photos of your child and use them in ways described above

Please tick the relevant box(es) below and return this form to school.

If you give permission for your child's image to be used by the media then you should be aware that
 - The media will want to use any printed or broadcast media pictures that they take alongside the relevant story;
 - It is likely that they will want to publish the child's name, age and the school name in the caption for the picture (possible exceptions to this are large group or team photographs);
 - It is possible that the newspaper will re-publish the story on their website, or distribute it more widely to other newspapers or media organisations.
