

Brief	User	Purpose	Skills
To make a photo frame for Mothers Day	Mum or family member	To display a picture that we have made for our mums for Mothers Day. We want to display it so that it stands by itself.	<ul style="list-style-type: none"> • Testing and exploring how to make structures stable. • Mark out materials to be cut using a template. • Join different materials with glue and tape. • Use a glue gun with close supervision.

Tools and Materials

Key Vocabulary I will use

strong	weak
stiff	stable
structure	frame
base	surface
corner	edge
point	straight

We are creating a photo frame that will display a photograph.
It will be a stable structure that stands on its own.
