## Pentecost

Christian festival, when the Holy Spirit descended on the Apostles

Christians believe that after Jesus went back to Heaven he sent **The Holy Spirit** to be with his friends.

The Holy Spirit showered gifts upon the friends of Jesus, gifts which were different kinds of energy, gifts which gave them strength.

They needed strength to go out and tell everyone about Jesus and share the Good News he gave us. Christians think that The Holy Spirit has given special gifts to us all.

## Pentecost Today

Christians celebrate Pentecost in many different ways today.
