

Recall multiplication and division facts for the 2,5 and 10 times tables

**Top Tips**

The secret to success? Practise little and often! Can you learn these on your way to school? On a car journey? Or even at the breakfast table? You don't need to learn them all at once: start with those you are more confident with before tackling the rest. Why not practise whilst keeping active? You could throw and catch or kick a ball whilst learning them!

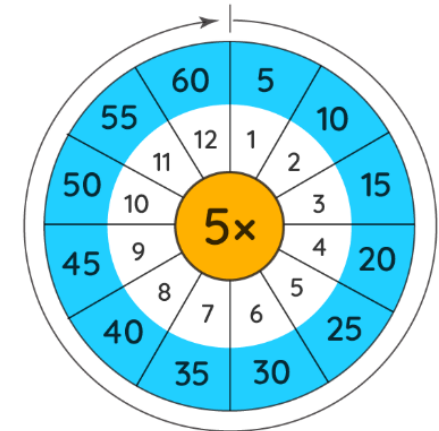

- 2 Times Table Song - <https://www.youtube.com/watch?v=9C4EN7mFHCK>
- 5 Times Table Song - <https://www.youtube.com/watch?v=sSmhdRB3v0A>
- 10 Times Table Song - <https://www.youtube.com/watch?v=vIW6YRLriHU>

Use what you already know – If your child knows that  $2 \times 5 = 10$ , they can use this fact to work out that  $2 \times 6 = 12$
