Multiplication Tables Check (MTC)

Multiplication Tables Check for all Year 4 children.

Started in 2022.

All Year 4 children will sit the 'Multiplication Tables Check.'

The MTC check is - 2 weeks in June (2nd - 13th June)

What does the MTC look like?

25 random questions.

Only multiplication questions up to 12 x 12. (e.g. 4 X 5; 6 X 7; 9 X 3 etc.)

Straightforward and completed on an iPad.

Children have a maximum of 6 seconds to answer a question.

One question appears at a time on a screen and can be seen for 6 seconds before the next question appears.

Children type in the answers.

Multiplication Tables Check (MTC)

Year groups 2, 3 and 4 are the key year groups in school were the children are learning new times tables for the first time.

During the autumn and spring terms, all of your children have been exploring, learning and understanding their times tables at school.

The expectations are:

Year 2	Year 3	Year 4
10X 2X 5X	3X 4X 8X	6X 9X 7X 11X 12X

School Promises

1. All children will have 30 minutes a week on TTRockstars during school time.

2. Timestables are practised everyday through songs, chanting, games or other activities.

3. Interventions are put in place to offer additional support to those children who need it. We would really appreciate your support at home with this – 5 minutes practice a day is hugely beneficial.

Tournaments

There will be a Key Stage (Year 3 and Year 4) battle of the classes every week.
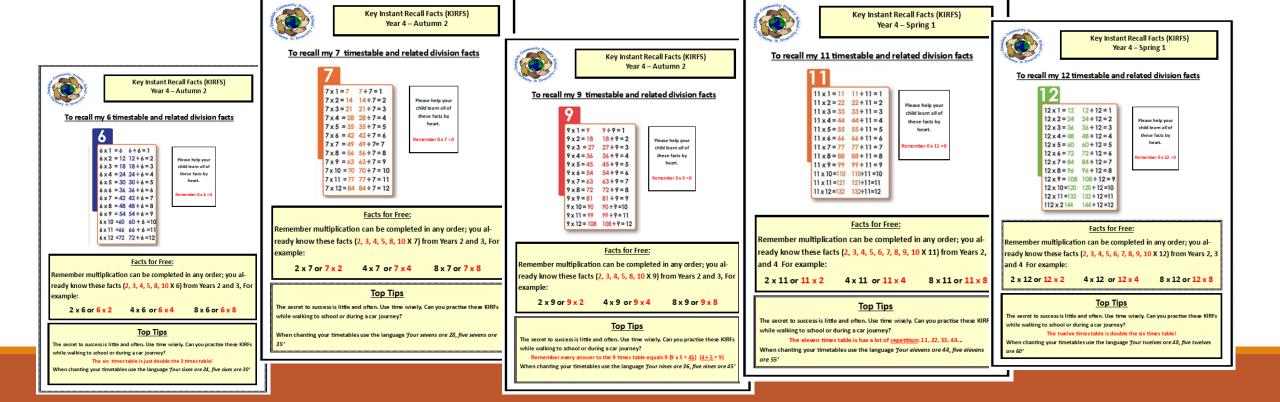

Which ever class earns the highest average points on TT Rockstars that week wins a certificate.

Every win earns the class a guitar on the board in the hall.

When a class wins 10 guitars they will have their own Cinema Experience!

Timestables at home

Through the year, your children will focus on specific timetables – your class teacher will send you documents on class dojo to support practice at home.

How to use them

You can click on the links at the bottom of the document to learn songs, songs and tricks that will help you with your timestables.
