2:30pm	Playtime
2:50pm	Assembly
3:05pm	Everyday Phonics

Home Learning

Year 1 Home Learning: Group 1

Date:

Weekly Message	
	Hi Bears, What a busy week we have had! We have been learning all about Place Value in our Maths and the focus story 'Lost and Found' is getting really exciting in English. I hope that you have a wonderful weekend with your families but please spend some time completing the activities below.
Reading	
	Please spend some time reading your Home Reading Books and remember to ask a grown-up to sign your diary so that you can collect your reading owl stamps.
Spelling	
	Every week the children will be learning to spell some very important Year 1 words. Please learn these at home as there will be a Spelling Test the following week. Your spellings this week are:
Maths	
	Please log on to Numbots to learn the number bonds within 10.

Please check your child's school diary for their Purple Mash and Numbots logins.

If you are not signed up to Class Dojo please take your mobile to the school office and they will offer help. There is lots of important information sent this way.

Home Learning will be set every Friday on Purple Mash and Class Dojo.

Every week there will be a Reading, Spelling and Maths task that the children are expected to complete.

There will be a weekly Spelling Test related to the important Year 1 words.

Phonics/Reading

Phonics is at the heart of the Year 1 curriculum. Children learn to read using their phonics skills, not the alphabet.

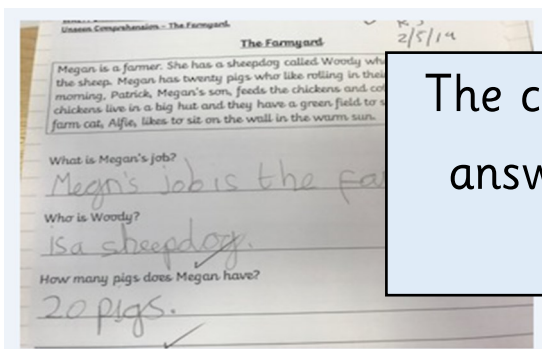

In Year 1 the daily phonics lessons help to support the children in reading books that are closely matched to their phonic ability.

town

park

The children will explore the meaning of unfamiliar words - **grinned**.

What do you think the word grinned might mean?

The children will read short texts and answer basic questions about what they have just read.

Writing

In Year 1 the children use a range of exciting, ambitious texts in order to write a range of interesting sentences.

This year, the children will learn how to...

leave consistent finger spaces between words.

use a full-stop at the end of every sentence.

use a capital letter at the beginning of each sentence and when writing about themselves.

The children will also develop the correct formation of every letter of the alphabet and learn to write on the lines.

Maths

At Deepdale we block Maths topics across the year.

Number - Place Value, Addition and Subtraction, Multiplication and Division and Fractions.

Measurement - Money, Time, Length and Height, Weight and Volume

Geometry - Shape, Position and Direction

Addition

Add one-digit and two-digit numbers to 20.

The children will use practical equipment to combine groups by counting all or counting on

11 + 5 = 16

Subtraction

Subtract one-digit and two-digit numbers to 20.

The children will use practical equipment to develop take-away strategies

13 - 4 =

Multiplication

Solve multiplication problems using practical equipment and jottings.

The children will use equipment to make groups.

Division

Solve division problems using practical equipment and jottings.

The children will use equipment to share objects and separate them into groups.

Wider Curriculum

The Wider Curriculum subjects are taught in the afternoon throughout the year.

There are a range of units within each subject.

Some examples of these are:

Science

Animals

Everyday Materials

Plants

Animals, including humans

The full curriculum map can be found on the school website.

Geography

The United Kingdom and Seas

Compare and contrast Preston and Lytham

Where are our favourite places to play?

Art

Drawing - Brilliant Britto

Painting/Collage - Marvellous Mondrian

Sculpture/Digital Media - Great Gormley

Keeping in Touch

There are lots of ways that school keep in contact with parents on a daily/weekly basis.

All of the Apps below can be downloaded to a mobile phone.

The class teacher or Mrs Pollard will use this on a weekly basis to inform parents about any important information or changes to the curriculum.

Parents can also contact the class teacher on Dojo.

The school office will send out important information about trips/events and upload the weekly newsletter.

An App to pay for school dinners, events or trips that might happen over the year.

If you experience any difficulty in accessing the Apps above, please contact the school office or Mr Scott who will be happy to help.

Website

Please visit our fantastic school website to find out further information about the Year 1 curriculum and parent meetings.

Click on the 'Our Learning' tab and 'Our Curriculum'.
Follow the Year 1 logo .

Click on the 'Information for Parents' tab to find out about year group meetings, useful information and parents courses.

If you wish to contact school, please use the details below:
