

Year 2 - Home Isolation History Learning Page

Autumn 2 2021

In Year 2 this half term the focus of our History learning is '**Significant people from the past**'.

Here is the key learning from the National Curriculum that will be covered:

Pupils should develop an awareness of the past, using common words and phrases relating to the passing of time. They should use a wide vocabulary of everyday historical terms. They should ask and answer questions, choosing and using parts of stories and other sources to show that they know and understand key features of events. They should understand some of the ways in which we find out about the past and identify different ways in which it is represented.

Pupils should be taught about:

- the lives of significant individuals in the past who have contributed to national and international achievements.
