

Year 1 - Home Isolation Maths Learning Page

Summer Term 2 Weeks 1-6 2021

At Deepdale we are following the White Rose Maths scheme of learning.

Below are a list of web links to daily Maths videos that will support your child's Maths learning from home. These match, as much as possible, the learning that will be taking place in the class that day. The videos are only released on a weekly basis so a new link will be added each week.
