

Year 1 - Home Isolation Science Learning Page

Autumn Term 2 2021

In Year 1 this half term the focus of our Science learning is '**Animals.**' Here is the key learning from the National Curriculum that will be covered:

Pupils should be taught to:

- identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals
- describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals including pets)

Lesson 1 What are birds?	Follow the link to BBC Bitesize to watch the video and complete the quiz. What makes an animal a bird? Learn about the different characteristics that make an animal a bird in this video. <u>You will now need your home learning book to draw a picture and write a sentence about a bird.</u>	What are birds? - BBC Bitesize
Lesson 2 What are fish?	Follow the link to BBC Bitesize to watch the video and complete the quiz. What makes an animal a fish? Learn about the different characteristics that make an animal a fish in this video. <u>You will now need your home learning book to draw a picture and write a sentence about a fish.</u>	What are fish? - BBC Bitesize
Lesson 3 What are reptiles?	Follow the link to BBC Bitesize to watch the video and complete the quiz. What makes an animal a reptile? Learn about the different characteristics that make an animal a reptile with this video! <u>You will now need your home learning book to draw a picture, label and write a sentence about a reptile.</u>	What are reptiles? - BBC Bitesize
Lesson 4 What are amphibians?	Follow the link to BBC Bitesize to watch the video and complete the quiz. What makes an animal an amphibian? Learn about the different characteristics that make an animal an amphibian with this video! <u>You will now need your home learning book to draw a picture, label and write a sentence about an amphibian.</u>	What are amphibians? - BBC Bitesize
Lesson 5 What are mammals?	Follow the link to BBC Bitesize to watch the video and complete the quiz. What makes an animal a mammal? Learn about the different characteristics that make an animal a mammal in this video. <u>You will now need your home learning book to draw a picture, label and write a sentence about a mammal.</u>	What are mammals? - BBC Bitesize

Don't forget to use your Science Knowledge Organiser for this half term - Year 1 Animals - to help you learn and understand about this topic.
