

Year 1 - Home Isolation Science Learning Page

Summer Term 2 2021

In Year 1 this half term the focus of our Science learning is '**Animals, including humans.**' Here is the key learning from the National Curriculum that will be covered:

Pupils should be taught to:

- identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense

Lesson 1 What are the parts of the human body?	Follow the link to BBC Bitesize to watch the video and complete the quiz. Find out about the different parts of the human body <u>You will now need your home learning book to draw a picture of yourself and label the different parts of your body.</u>	What are the parts of the human body?
Lesson 2 What do humans need to stay healthy?	Follow the link to BBC Bitesize to watch the video and complete the quiz. Find out about how many different ways you can think of to stay healthy. <u>You will now need your home learning book to draw different pictures of things you can do to keep yourself healthy. Write a sentence about each picture.</u>	What do humans need to stay healthy?
Lesson 3 What are the senses?	Follow the link to BBC Bitesize to watch the video and complete the quiz. Learn about the five sense <u>You will now need your home learning book to draw different pictures to show me about your five different senses. Now write a sentence about each sense.</u>	What are the senses?

Don't forget to use your Science Knowledge Organiser for this half term - Year 1 Animals, including humans - to help you learn and understand about this topic.
