

Year 1 - Home Isolation Science Learning Page

Summer Term 1 2021

In Year 1 this half term the focus of our Science learning is '**Plants.**' Here is the key learning from the National Curriculum that will be covered:

Pupils should be taught to:

- identify and name a variety of common wild and garden plants, including deciduous and evergreen trees
- identify and describe the basic structure of a variety of common flowering plants, including trees

<p>Lesson 1 What plants can you find outside?</p>	<p>Follow the link to BBC Bitesize to watch the video and complete the quiz. What plants can be found outside? Learn about some of the different plants growing outdoors with this video!</p> <p><u>You will now need your home learning book to draw and label a picture of the different plants that you can see outside and write a sentence about what you have found out.</u></p>	<p>What plants can you find outside?</p>
<p>Lesson 2 What is the difference between deciduous and evergreen trees?</p>	<p>Follow the link to the National Oak Academy to watch the video. In this lesson, we will be learning about different types of trees. There are two types of trees, deciduous and evergreen. We will be analysing their leaves and the key differences in their appearance.</p> <p><u>You will need your home learning book to complete the activities.</u></p>	<p>What is the difference between deciduous and evergreen trees?</p>
<p>Lesson 3 What are the parts of a plant?</p>	<p>Follow the link to BBC Bitesize to watch the video and complete the quiz. Learn about the parts of a plant - the roots, the stem, the leaves and the petals - with this video.</p> <p><u>You will now need your home learning book to draw and label a picture of plant and write a sentence about what you have found out.</u></p>	<p>What are the parts of a plant?</p>
<p>Lesson 4 What are the parts of trees and plants called?</p>	<p>Follow the link to the National Oak Academy to watch the video. In this lesson, we will be identifying the different parts of trees and flowers. We will be learning about the functions of the different parts of the trees and flowers and how they help the plant to grow.</p> <p><u>You will need your home learning book to complete the activities.</u></p>	<p>What are the parts of trees and plants called?</p>

Don't forget to use your Science Knowledge Organiser for this half term - Year 1 Plants - to help you learn and understand about this topic.
