Year 2 - Home Isolation Science Learning Page

Summer Term 2 2021

In Year 2 this half term the focus of our Science learning is 'Animals, including humans.' Here is the key learning from the National Curriculum that will be covered:

Pupils should be taught to:

- notice that animals, including humans, have offspring which grow into adult
- find out about and describe the basic needs of animals, including humans, for survival (water, food and air)
- describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.

Lesson 1	Follow the link to BBC Bitesize to watch the video and complete the quiz.	What are the
What are the parts	Find out about the different parts of the human body.	parts of the
of the human body?		human body?
	You will now need your home learning book to draw a picture of yourself and	
	label the different parts of your body.	
Lesson 2	Follow the link to BBC Bitesize to watch the video and complete the quiz.	What do
What do humans	How many different ways can you think of to stay healthy?	humans need to
need to stay	Very will we want down he was been in a back to during different victures of this as	<u>stay healthy?</u>
healthy?	You will now need your home learning book to draw different pictures of things	
	you can do to keep yourself healthy. Write a sentence about each picture.	
Lesson 3	Follow the link to the National Oak Academy to watch the video.	Why is exercise
Why is exercise so	In this lesson, we will learn what exercise is and why it is so important. We will	so important?
important?	explore different ways to exercise and choose our favourite!	
inportanti		
	You will need your home learning book to complete the activities.	
1		Address for a
Lesson 4	Follow the link to the National Oak Academy to watch the video.	<u>What is a</u>
What is a healthy	In this lesson, we will learn about the different food groups and what we use	healthy diet?
diet?	each food group for.	
	You will need your home learning book to complete the activities.	

Don't forget to use your Science Knowledge Organiser for this half term - Year 2 Animals, including humans - to help you learn and understand about this topic.
