

Year 3 - Home Isolation Science Learning Page

Autumn 1 2021

In Year 3 this half term the focus of our Science Learning is '**Forces & Magnets**'.

For home learning we will be using the following websites to support this topic:

Once you have completed your lessons, in your purple home learning book produce a double page spread about all you have learned.

<u>Lesson 1</u>	What are non-contact forces?	https://classroom.thenational.academy/units/magnetism-084a
<u>Lesson 2</u>	What are magnets?	https://classroom.thenational.academy/units/magnetism-084a
<u>Lesson 3</u>	How does a compass work?	https://classroom.thenational.academy/units/magnetism-084a
<u>Lesson 4</u>	How can we see a magnetic field?	https://classroom.thenational.academy/units/magnetism-084a
<u>Lesson 5</u>	How do we know if a material is magnetic or not?	https://classroom.thenational.academy/units/magnetism-084a
<u>Lesson 6</u>	What are some uses of magnetic materials?	https://classroom.thenational.academy/units/magnetism-084a

Don't forget to use your Science Knowledge Organiser for this half term - Year 3 Forces & Magnets - to help you learn and understand about this topic.
